SUBJECT: Meeting with Mr. [REDACTED]

25X1

Mr. [REDACTED] relayed comments from Colonel White on three of the items in the weekly summary taken up this morning.

(1) New O&B Function

Colonel White would like to "look into" the new functions to be assigned to the O&B Officer for briefing Chiefs of Mission, military commanders, etc. previously briefed by PPC. Colonel White said he "doesn't know whether it is a good idea. It is a lot of work. Many aspects have to be done by DD/P people and the Briefing Officer is far from the fire up here." Mr. [REDACTED] expressed the view that Colonel White simply wanted to be sold on this idea and is really not expressing opposition to it. PPC has asked DD/S to let them know as soon as the matter is decided since PPC wants to issue a notice on this within DD/P.

(2) Support Exhibit

Colonel White agrees with the proposal to decrease the number of Support Exhibits during the coming year.

(3) [REDACTED]

Colonel White would like a little more background here. His request was triggered by the note that [REDACTED] "kept an appointment with DCI." Mr. [REDACTED] believes Colonel White simply would like to know the nature of this visit, whether it was entirely personal, etc.
